

ALEX KNIGHT, MBA, CEng

Bio Note, February 2007

Alex has pioneered the application of Dr Eli Goldratt's Theory of Constraints in many industries across the globe including; Health, Financial Services, Manufacturing and FMCG. His work revolves around helping organisations find a real breakthrough in their performance. Whether it be developing new strategies to break open market constraints or implementing sustained processes of improvement, Alex is not satisfied unless the client organisation has reach new and unprecedented levels of performance.

More recently Alex has worked in the UK National Health Service to develop a series of applications of the Theory of Constraints that are consistently delivering sustained jumps in performance in an environment of ever increasing government targets. This has included Oxford Radcliffe Hospitals, Addenbrooke's NHS Trust, Milton Keynes NHS Trust, South Bucks NHS Trust, Barnet and Chase Farm NHS Trust, Cardiff University Hospitals Trust, and other hospitals in Australia, USA and Holland.

Alex has been personally mentored by Dr Goldratt for over twenty years. Alex was previously the Managing Director of Ashridge Consulting Ltd and a Board Director of Ashridge Management College. Alex is a Partner of QFI Consulting
